Hi Tsubasa-chan, you know I...

Hello, who's there?

Please pick up, Tsubasa-chan.

プルルルル*

called Misaki...?

Are you the one

!?

Are you the reason Tsubasa's behavior has been off recently?

プルルルル*

This isn't Tsubasa-chan?

Who are you?

I'm Tsubasa's older sister.

どろどろと恋 第六話

Syrupy Love chapter 6

I'm a friend.

I'm Tsubasa-chan's class-mate...

Who are you exactly?

Tsubasa forgot her phone at home today.

I go to the same school as you two.

Why do you know that...

Oh, that's why.

Eh?

Ah, the girl who was with her a lot at school recently.

Her appear-ance became flashy,

and she began to have routine friends like you.

Also, she started talking back to dad.

But then...

What do you mean "her behav-ior's been off"?

Maybe she knows about her wounds.

Erm...

What does she mean?

You're not worried about her wounds?

Ah, she reaped what she sowed with that!

What?

Why is that weird?

What!?

Dad scolded her because she was acting weird.

That's family.

Even though he's her family? That's horrible...

It was her dad who beat her like that!?

There are a lot of broken *things* in our house.

Everything would go well if only she acted obediently.

So please don't keep any ties with her.

We told her to stop meeting you, but even when we blamed her, she would go into a frenzy while demanding not to talk badly about you.

She was being a good kid, but your influence is making her cause problems.

ぺたん…

*collapse

…

?

*break

*beep

beep

But...

She changed to her current look and we started speaking often at school.

She surely changed herself to go out with me.

What does that mean?

Was Tsubasa-chan acting inconspicuously because her dad forced her to?

How was she before that again?

Me too... I didn't even know her name.

As for what the other girls thought of her, nobody noticed her, and she wasn't getting along well with anyone.

However, the first day Tsubasa-chan and I talked she looked different than that.

by her family...

Under surveillance... and violence...

That reminds me of what we talked about at that time.

She was behaving differently whether she was under surveillance or not.

Her big sister was monitoring her at school, but she was free outside of school.

However...

"I think I'm charmed by you too, Misaki..."

Hey, you're twisting my words around! It would be a luxury just to have her.

Even though you have no guarantee she would be your ideal big sister?

Oooh I'm envious, I want a big sister too!

Yes, I have one big sister.

Do you have any siblings, Tsubasa-chan?

Why did she become friends with me then?

And I accepted like that, I...

There's no way then.

"We told her to stop meeting you, but even when we blamed her, she would go into a frenzy while demanding not to talk badly about you."

Why did she say that?

I want to know.

sob

I don't want to turn a blindeye to all these signs.

Her not telling me anything may mean that she doesn't want me to know the truth.

...

turn

Good morning.

Tsubasa-chan...!

Good morning.

Morning.

Morning.

She's back again.

I think she has more injuries than last time.

How is that appealing? And aren't those injuries pretty bad?

What's that?

because I didn't know anything,

but now I understand.

Would I have let that slip if I'd heard it earlier? I just reproached them a bit at the time

Our classmates are irresponsibly making rumors again.

turn

Ah!

Today makes the second time I've seen the Tsubasa-chan that gave up.

so she gave up.

Tsubasa-chan wanted to kill herself but there was no way she could really do that,

カラ… *open

Tsubasa-chan.

But until now, how many times has she given up while I wasn't watching?

キーンコーン *ding dong

That's so sad, it can't continue.

Tsubasa-chan!

Tsubasa-chan.

The call history ...

ポソ
*sluggish

ひた
*step

Ah, well that's fine.

Y-Yes.

Did she tell you anything?

Eh?

Tsuba-

ダッ
*dash

don't keep any ties with me anymore.

Please

Misaki-san...?

Are you

How can I make her open her heart?

...

...

Tsubasa-chan...

That's right, and...?

Tsubasa-chan's friend... I wonder if I can gain your trust.

Don't be on your guard like that.

What do you mean?

Looking at you, I think that you're in the same mental state as her.

She knows so much... She must be close to Tsubasa-chan.

Being abused by one's own family is really...

People think there's no way someone's family could do that. They can't imagine what really happens in the end.

Please tell me!

I don't care, I want her to tell me what Tsubasa-chan does outside of school!

So it's you who took care of her wounds as well.

Yes.

Did you meet up with Tsubasa-chan yesterday?

So...

Tsubasa...

of her family's violence since middle school. She was seriously hurt...

Tsubasa... has been a victim

When I met her at that time, I taught her a way of relieving her stress with a new way of playing.

For example... What do you...?

*Squeeze

ぎゅっ。。

*hug

That's

right.

The heat of another person's body is relaxing...

near someone's heart... and gently massaging with your hands while enveloping the whole thing is quite relaxing.

Hugging like this,

Tsubasa's boobs weren't that big though.

What? This has somehow turned weird.

Eh, wai–

ぎゅっ。。

*rub

*rub

Kya!

*undress

Tsubasa is sensitive around here.

Ah!

Stop...it.

Noo.

What... This person... is weird...

Why? Aren't you feeling anything?

Squeeze

You're getting hard there already.

But... that's...

*haa はっ

*haa はぁっ

*haa はぁ

Ah!

*twitch ビクッ

*squeeze むにゅ

*rub くりくり

Hmm

Hn

There's no way to avoid that, if you play with nipples they become hard. What a lewd body!

*rub くりくり

*twitch ビクッ

Squeeze

*flomp

どん

ちゅ *smack

ちゅっ

ちゅく

ちゅく

Hya

Ah

Haa

Ah

Nooo

...

*lick lick

*splat splat

*splat splat

*clatter

Ew...
This is
disgusting.

What... are you doing...?

Misaki...?

Tsubasa-chan!?

*thud
